There is no change in the capitalization of the Company in connection with the change of name or listing on the TSXV. No action is required by existing shareholders of the Company with respect to the name change, CSE de-listing or TSXV listing.

About the Company

The Company is engaged in the acquisition and exploration of mineral properties in Canada. The Company currently holds a 100% interest in mineral claims totaling approximately 7,000 hectares comprising the Gorilla Lake property, located in North Saskatchewan, Canada, subject to a royalty obligation. The phase one exploration program at the property consists of geological mapping, prospecting and geochemical sampling based on the anomalies identified by the Company's Heli-TEM survey and integration with other available datasets. The Company's secondary objective is to locate and develop other economic precious and base metals properties of merit.
